Henry Field's APRIL FIELD SEED Bargains

MY GUARANTEE

I absolutely guarantee my Field Seed to arrive in good condition and to be satisfactory in every way. You may send a sample away for a state test, if you like. If it isn't satisfactory in every way, it may be returned any time within 15 days after you receive it and I'll refund your money or send you seed that will suit. That's plain and lived up to. However, we don't guarantee a crop as that depends upon conditions beyond our control, such as weather, soil, etc.—HENRY FIELD.
